February 25, 2026

NEW YORK, Feb. 25, 2026 (GLOBE NEWSWIRE) -- Carlyle Credit Income Fund ("we," "us," "our," "CCIF" or the "Fund") (NYSE: CCIF) today announced its financial results for its first quarter ending December 31, 2025. The full detailed presentation of the Fund's first quarter 2026 financial results can be viewed on the Fund's website (<https://www.carlylecreditincomefund.com/investor-dashboard>).

"In the first quarter, we continued our focus on selective capital deployment and long-term value creation," said Nishil Mehta, CCIF's Principal Executive Officer and President. "Amidst a more challenging market environment for CLO equity, we completed three resets in the underlying portfolio, extending reinvestment runway and enhancing future cash flow potential. In light of current market conditions, we are reducing our monthly dividend to \$0.06 per share, which remains fully covered by core net investment income. We will continue to emphasize disciplined underwriting, working with strong CLO managers, and maintaining prudent capital management as we look ahead."
